

# Stuart's ***DOUBLE YOUR INCOME*** QuickTips: How To Make Money ***Without Working?***

## **Point #1**

Set up your productivity strategy first, or else you can never retire!

## **Point #2**

AdSense publishing is a great way for lazy people out there (me included). No selling, no customer service, no need to create products.

## **Point #3**

You need to leverage blogs and RSS in order to generate a concerted effort in AdSense publishing. You also need to have good background in keyword research. You can generate your AdSense network through 15% manual effort, followed by 85% automated software.

## **Point #4**

Think about how to generate huge amounts of content (100 pages a day) in the simplest fashion, and set up a procedure to manage your content effectively.

## **Point #5**

Read about the Long Tail (by Chris Anderson) to understand how a huge amount of content can make you rich!
